

Training Show Makeup for Guys with the Ben Nye Kit!

1 Start with a clean face

2 Apply a light foundation overall

3 Apply blush to apples of cheeks

4 Define brows

5 Line eyes from outer edges to a little beyond the center of the eye

6 Apply lip balm. Use a light, natural lipcolor on your lips if they are pale

7 Must do: Apply loose translucent powder when finished to keep the on-stage shine at a minimum
